## Instant Training Downloads

To make things very easy as regards the MCC, a lot of the trainings will be done online. I will just write a new lesson daily, upload it and you download at your end, read and take action.

This will make it easy for members who are participating from far off as I have been asked this question over and over again and I promised to get around it.

## Emails & Chat

You can then email me your questions or call me or chat with me online but there is something you need to know about chatting with me online.

## Online Chat Rules

- ➔ Don't share my chat ID with anyone.
- ➔ When you come to chat with me, state the problem clearly and let's resolve it in the shortest possible time. I don't like it when you make me talk and talk around without you knowing exactly what you want to achieve.
- ➔ Feel free to discuss stuff with me especially when your motivation is low BUT as soon as you are back up, free my hands to attend to someone else.

## Private Forums

In addition to this, there will be an MCC only members area on the <http://cyberbreakthroughs.com> which can only be accessed by members of the MillionaireChallengeClub.

You can easily share what you are going through, get help, ask questions and teach others what you have learnt that is working for you.

## Video Trainings

Internet connection speeds are picking up in the country, so I believe that more and more people now have the capacity to watch videos over their internet connection. For this reasons, I will from time to time create videos which you can watch from your location and if you cannot watch, you can request it be sent to you on CD and you bear cost of production and shipping.

## Live Meetings

Periodically and especially during public holidays, LIVE trainings and meeting will be held where trainings will hold on several different aspects of using the Internet for profit and other forms of business meetings. Also included in this section is the MCC school where you will have the opportunity to learn loads of other stuff outside the Internet itself. Examples:

- ➔ House Seminar – “How To Build A House on A Small Savings”
- ➔ Business Leadership – “How to be a Business Leader”
- ➔ Multiple Income Streams – “How to Make Money Work for You”
- ➔ The 3Ms of Money – “Make, Manage & Multiply Money”
- ➔ Poultry Profits – “How to Make Money Running A Poultry”
- ➔ Etc

## MCC Opportunities

Before I say a thing about this section please, please and please, don't hold me responsible if it doesn't work out. This is only a wish and **YOU** will be a decider if it works or not.

1. I plan to create investment opportunities **ONLY** for club members such that you can drop your money and we engage in business activities with it and pay returns. Even if it is only N1000 per month you gain on money which otherwise would have been lying somewhere sleeping.. it is something **BUT** of course it will be more than N1000 per month increase.
2. The MCC Estate – this is my **BIG** dream. Once people start making it in MCC, I have a dream of us buying an a few acres of land somewhere in

- Abeokuta (1st Choice), Ibadan (2nd choice) or Osogbo (3rd Choice) with every participant allotted a plot.
3. and more...

*With you working with me, I believe 365days from now, 365 lives will be better and closer to their life dreams!*
